**Guidelines for the Preparation of Technical Inquiries on the *Specification for Aluminum Structures***

Technical inquiries to obtain an interpretation or request a revision to the *Specification for Aluminum Structures* should be directed to:

VP, Technology  
The Aluminum Association  
1525 Wilson Blvd. Suite 600  
Arlington, VA 22209  
Fax: 703-358-2961  
email: mhskilli@aluminum.org

Comments on other parts of the *Aluminum Design Manual* are also welcome.

Inquiries should be typewritten and include the inquirer's name, affiliation, and address. Each inquiry should address a single section of the *Specification* unless the inquiry involves two or more interrelated sections. The section and edition of the *Specification* should be identified.

Requests for interpretations should be phrased, where possible, to permit a "yes" or "no" answer and include the necessary background information, including sketches where appropriate.

Requests for revisions should include proposed wording for the revision and technical justification.

Inquiries are considered at the first meeting of the Engineering and Design Task Force following receipt of the inquiry.
