

ALUMINUM PAC PRIOR APPROVAL AUTHORIZATION

WHAT IS THE ALUMINUM PAC?

The Aluminum Political Action Committee (PAC) is a voluntary, bi-partisan effort formed to help elect federal candidates who support the aluminum industry. The Aluminum PAC serves to strengthen the industry's political voice, educate and mobilize members to become more politically active, and support federal candidates who promote legislation and policies that create a fair business environment, allowing the aluminum industry to create jobs and grow the economy.

WHAT IS PRIOR APPROVAL AUTHORIZATION?

Prior to giving you more information about the Aluminum PAC and asking for contributions, the Federal Election Commission requires us to obtain a corporate member's written permission. For this purpose please complete and return the form provided below.

ALUMINUM PAC CORPORATE PRIOR APPROVAL FORM

My corporation is a member of the Aluminum Association and hereby authorizes the Aluminum PAC to solicit voluntary contributions from the company's PAC-eligible employees during the calendar years authorized below.

In accordance with federal law, the company has not approved a solicitation for federal contributions by any other trade association for any of the same calendar years.
