Source: The Aluminum Association, Inc.
Can Manufacturers Institute
Institute of Scrap Recycling Industries, Inc.

Notes:
1. Used beverage cans melted by U.S. facilities plus exports of can scrap. Based on joint survey by the Aluminum Association and Institute of Scrap Recycling Industries. Includes imports of UBC scrap melted in the U.S.
2. Data provided by the Can Manufacturers Institute. CMI reported shipments of aluminum beverage cans lagged one quarter.
3. Total pounds collected divided by total pounds of cans shipped.
